## why choose seven corners?

### why you need this program

Seven Corners, Inc. has been offering various travel insurance plans to thousands of missionaries for over 18 years. The Disciple Missionary Plan came from the experience we gained providing medical and evacuation coverage. This program is specifically aimed to meet the needs of missionaries serving the world.

Just as Jesus charged Christians with The Great Commission, when you embark on your journey abroad to spread His Word to people of all nations, the Disciple Missionary Medical plan will be an integral part of your mission trip. The travel insurance benefits included in the Disciple Missionary Medical plan have been specifically designed to meet a wide array of needs for Christian missionaries abroad, as well as furlough coverage for short term trips back to your home country. Financial stewardship has been exercised in the plan design and cost. The Disciple Missionary Medical plan can only be purchased on-line through selected insurance agents. The immediate on-line delivery of your insurance ID card and policy, coupled with insurance agents who have taken a voluntary reduction in their commissions, reduce the overall insurance premiums. The broad selection of missionary specific benefits and low premiums in the Disciple Missionary Medical plan allow you to utilize more of your financial resources to follow the command Jesus issues in The Great Commission.

This is a brief description of Disciple Missionary Medical program. Detailed wording is outlined in the Program Summary, which will be provided to you after you have enrolled in the program.

Enrollment also provides the insured access to [www.wellabroad.com](http://www.wellabroad.com), Seven Corners' 24 hour online assistance system providing current information on healthcare access, security, politics, and current events when traveling overseas.
